

Did you know that over 8 million tons of plastic enters the ocean each year?

Help this plastic bottle find its way to the recycle bin

What are three things you can do to help keep trash out of the landfill?

1

2

3

Color in all items, then circle the ones that belong in the recycle bin!

Sort it Out!

Can you find the words?

T	E	N	A	L	P
R	R	T	U	F	O
W	E	J	K	X	S
A	C	D	U	M	E
S	Y	O	U	T	S
T	C	Y	U	C	U
E	L	P	J	G	E
G	E	L	K	B	R

Have questions about recycling?

Test your waste IQ

Across

- Trees are cut down to make \_\_\_\_\_.
- Food scraps can go into the \_\_\_\_\_.
- A soda \_\_\_\_ is made from aluminum.
- When we don't reuse or recycle an item, it ends up in the \_\_\_\_\_.

Down

- You can recycle \_\_\_\_\_ bottles, but not their caps!
- Buying items with less packaging is a way to \_\_\_\_\_ waste.

We've got you covered. Visit [trashforpeace.org](https://trashforpeace.org)

### Folding Instructions:

1. Print out the document
2. Fold in half
3. Cut a slit along the folded line in the middle, about 2 inches long
4. Fold the sheet into 8ths, so each picture has its own page
5. Push the booklet together so it looks like an "X" in the middle where the slit is, then crease the folds well (the "Have questions about recycling" page should be the last one)
6. Enjoy your little booklet!
